

21st Genomic Standards Consortium Meeting 2019

Dates:

May 20-23, 2019

GSC board meeting May 19, 2019

Venue:

Campus, University of Vienna, Austria

GSC Organizers:

Lynn Schriml, Folker Meyer, Pelin Yilmaz

Local Organizers:

Craig Herbold, Thomas Rattei

GSC 21st 3-day meeting will highlight the nexus of genomic standards and innovative methods in genomics.

The meeting in charming Vienna will bring together people from many fields, including microbiology, microbial ecology, bioinformatics, medicine and system biology.

Themes:

Sequence and function, species interactions, personal genomes/microbiomes, model communities, taxonomy, viruses, symbioses and holobiont genomes, unicellular eukaryotes, large microbial/viral pangenomes, and more ...
